## **Reservation form for Wednesday June 26th Evening Meal at Mohican Campsite**

Every year Camp Tesomas provides a meal to visiting families on Wed. evening at a cost of \$7. It is always crowded at the main lodge and there are never enough places to sit.

Troops 427 would like to invite our families to dine with us at our campsite.

The cost will be the same, at \$7 per person and the meal will be available between 5:00-6:30pm.

This year we are looking for adults that would be but would interested in helping us prepare the meal. We would need help starting around 3pm. Please fill items below if you interested in helping.

Please visit our website for directions to Camp Tesomas at: <http://scouts427.org/scoutsBSA.htm>

There are maps for directions and a layout of the camps.

We are staying at the Iroquois Campsite near the Hanna Parking Lot.
